## TOREROS FACE TOUGHEST SCHEDULE YET UNDER 6TH-YEAR COACH TOM HAGEDORN

On paper, sixth-year University of Diego head men's tennis coach **Tom Hagedorn** has his best squad since arriving at Alcalá Park for the 1996-97 season. With seventeen preseason top-75 ranked teams on his schedule, including No. 2 Stanford, No. 3 UCLA and No. 8 Pepperdine, he is also embarking on his toughest schedule ever.

Coach Hagedorn will look to an experienced quartet of seniors to lead the way this season -- **Ricardo Rizo**, **Juan Cerda**, **Ted Burghardt** and **Stephen Taylor**. **Ricardo Rizo** (Guadalajara, Mexico), who turned in a solid fall season, is the projected No. 1 singles player. Last season he finished 17-5 in singles, including 10-1 at No. 3. **Juan Cerda** (Santiago, Chile) will play at #1-2 singles, and will team with sophomore **Jason Pongsrikul** at No. 1 doubles. Last season Cerda was 14-7 at No. 2 singles, and was 10-11 over-

all in doubles. **Ted Burghardt** (Denver, CO) has a solid all-around game and will play a key role in the bottom of half of the singles lineup, and will play at both No. 2 and No. 3 doubles. Burghardt has turned in winning overall records in each of his first three seasons. **Stephen Taylor** (Portmarnock, Ireland) will team with Burghardt in doubles, and will play in the middle of the singles lineup. Last year he was 13-8 in singles, including a 10-5 mark at No. 6 singles. He was 10-8 in doubles, including an 8-3 mark at No. 3 (w/Bourne).

With a year of competition under his belt, sophomore **Jason Pongsrikul** (San Diego, CA) will play a key role in USD's success this season. He will compete for spots in the upper-half of the singles lineup, and will team with Cerda at No. 1 doubles. Two newcomers that joined the squad for the spring semester will make an immediate impact on the program. Freshmen **Robert Blair** (Stellenbosch, South Africa) and **Martin Linusson** (Ulricehamn, Sweden) are both accomplished players that bring international experience. Blair was the number one South African junior last year and

was ranked as high as 60 in the world junior singles rankings. He has outstanding results in doubles as well. He reached the quarterfinals of Wimbledon and Australian junior events in doubles. Linusson, the other Torero freshman, won the Swedish National Junior Doubles Championships and was ranked top-12 in singles in Sweden.

Rounding out the Toreros lineup is junior **Sean Bowen** (Little Falls, MN), a transfer from Middle Tennessee State; second-year sophomore **Ben Regin** (Henderson, NV), and freshmen **Chasen Cohan** (Las Vegas, NV), and **Nicolas Schaffner** (Geneva, Switzerland).

With a solid core of upperclassmen back, joining Pongsrikul, Blair and Linusson, USD looks to have one of its best year's in recent history. After beginning the season with seven of its first ten matches on the road, including all seven road matches against ranked teams, the Toreros will return March 11th against Utah that begins a ten-match homestand. USD will close out the regular-season at the WCC Championships (April 19-21) at Saint Mary's, with their sights on a berth into the NCAA Regional Championships (May 11-12).

# THE UNIVERSITY OF SAN DIEGO 2

## SETTING

The University of San Diego is an independent Catholic institution of higher education. Founded in 1949, USD is located on 180 acres overlooking Mission Bay, San Diego Harbor and the Pacific Ocean. The campus is named Alcalá Park and is located just 10 minutes from downtown San Diego and the world famous San Diego Zoo. Historic Old Town is just minutes away as well.

The city of San Diego along with this campus traces their origins to fifteenth century Spain. The campus was named after a Spanish village near Madrid - Alcala de Henares. Founded by the Greeks as Complutum, the village was later renamed Al Kala (the Castle) by the Moslems. Christians recaptured the village centuries later and founded a university, the University of Alcala, whose buildings became the inspiration for USD's style. Both institutions are located on a hill overlooking a river valley.

## THE CAMPUS

The USD campus is regarded as one of the most architecturally unique institutions in the country, featuring major buildings designed in an ornamental 16th century Spanish Renaissance style. Since 1984, USD has completed numerous major construction and expansion projects. Last year the Jenny Craig Pavilion, a 5,100-seat athletic center, opened its doors as home to USD volleyball and basketball. This fall the Joan B. Kroc Institute for Peace and Justice will open on the west end of campus, and a new Science and Technology Center is underway. A five-story, Spanish Renaissance parking garage (1,100 spaces) was completed in 1998. A landscaped fountain plaza was finished in the fall of 1995, connecting the entrances of the Immaculata and Hughes Administration Center. In 1992, the university completed the 45,000 square foot Loma Hall, which includes an expanded bookstore, a larger mail center, classrooms and laboratories.

## ACADEMICS

USD enrolls more than 6,800 students (3,900 undergraduate) who have a choice of more than 50 undergraduate and graduate degree programs. The university's academic units include the College of Arts and Sciences, and the Schools of Business Administration, Education, Law and Nursing. Class size generally averages between 18-25 students with the student to teacher ratio being 18:1. Over 97 percent of USD's full-time faculty hold doctorates.

In the annual ratings of the country's colleges and universities, published by *U.S. News & World Report*, USD moved from the regional to national category in 1994. The university is ranked among the top 100 schools in the nation.

## STUDENT LIFE

Student activities include cultural events, dances, boat cruises, beach parties, BBQ's, concerts, comedy nights, symposia and much more. Students participate in a wide range of volunteer projects such as adult literacy tutoring, senior citizen outreach, and house building in Tijuana. The intramural program is also an integral part of student life on campus with over two-thirds of the USD community partaking in the activities.

## ATHLETICS

USD is a member of the West Coast Conference for nearly all sports and competes in 16 intercollegiate sports on the NCAA Division I level. The football team completed its eighth season in the Pioneer Football League. Women's sports include: basketball, cross country, rowing, soccer, softball, swimming & diving, tennis and volleyball. Men's sports include: baseball, basketball, cross country, golf, football, rowing, soccer and tennis. Since 1990 USD teams have won eleven conference championships; made 28 NCAA post-season appearances; had twenty-seven Conference Coaches of the Year; twenty-two Conference Players of the Year; twelve Conference Freshmen of the Year; four WCC Scholar Athletes of the Year; and thirty-one All-America selections. For the second straight year, USD hosted the West Coast Conference Basketball Championships.

## HEAD COACH TOM HAGEDORN

*Sixth Season*

Tom Hagedorn enters his sixth season as head coach of the University of San Diego men's tennis program. Last year he directed the Toreros to its fifth straight winning season, finishing at 13-9 and ranked 57th in the nation. He takes a five-year record of 61-48 into the 2002 season, along with a pre-season ranking of 49th.

Hagedorn came to USD via the University of Arizona where he was assistant coach under Bill Wright since 1988. During his tenure the UA Wildcats advanced to the NCAA Tournament twice (1995, 1996), with the 1996 team finishing 18-10 and ranked No. 23 in the nation by the Intercollegiate Tennis Association (ITA).

Prior to joining the Arizona coaching staff, Hagedorn played four years on the Wildcat tennis team (1984-87). As a player, he was ranked in the top-10 in the Southwest (1982, 1983). He graduated from the University of Arizona in 1987 with a Bachelor of Science degree in Business Marketing.

Besides his coaching duties, Hagedorn has been a member of the U.S. Professional Tennis Association for the past ten years; has coached collegiate All-Americans and ATP Touring Professionals - the most notable being Jim Grabb who was No. 1 in the world in doubles in 1993 and No. 29 in singles; and was director of the Bill Wright Tennis Camp in Vail, Colorado from 1989-1996.

Tom and his wife, Melissa, reside in San Diego.

## ASSISTANT COACH RON JENKINS

*5th Season*

Ron Jenkins begins his fifth season on coach Tom Hagedorn's staff. Prior to USD he assisted legendary tennis coach Glen Bassett -- one year at Pepperdine and four years at UCLA. While an assistant at UCLA, the men's tennis team won the National Indoors and reached the semi-finals of the NCAA Team Championships. Overall, Jenkins has sixteen years of tennis experience in both teaching and coaching.

A 1976 graduate of Menlo College (B.S. in Business Administration), Jenkins is celebrating his 14th anniversary as CEO and President of Texas Area Management & Investments, his own Commercial Real Estate Business.

USD has a rich tradition of tennis. Twice the team won NCAA Division II titles (1974 & 1975). In 1979 the team finished second and in 1980 the program moved up to the NCAA Division I ranks. Former coach **Ed Collins** directed USD's move to Division I and was with the program for 18 seasons (1979-96) where he accumulated an overall record of 350-190; won two Ojai team titles; two WCC titles and took the team to the NCAA's twice.

This winning tradition was started by **Andrew Rae**, a native of Melbourne, Australia, who won NCAA Division II singles and doubles titles in 1974 and 1975. In 1978 USD's **Rick Goldberg** and **Par Svensson** won the NCAA Doubles Championship.

From 1980 through 1982 the netters were regularly ranked among the nation's top 20 Division I teams. In 1980 and 1981 the Toreros won Ojai team titles. During that time the team was led by **Scott Lipton** (San Jose, CA, 1980 NCAA Division I All-American), **Terry Ward** (St. Louis, MO, 1981 WCC Singles Champ and 1981 Ojai Champ) and **Peter Herrmann** (San Diego, 1982 Ojai Champ).

The Toreros were back in the national rankings in 1987, on the strength of their 24-9 record and dual match wins over Stanford and Pepperdine. Senior **Jim McNamee** (Seattle, WA) was a WCC Singles Finalist and the team of **Dave Stewart** (Saratoga, CA) and **Scott Patridge** (La Jolla, CA) won the WCC Doubles Championship. Led by four-time NCAA All-American, **Jose Luis Noriega**, USD won West Coast Conference Championships in 1989 and 1990 and earned Volvo/ITA National Rankings of #14 in '89 and #12 in '90.

USD annually competes at the nation's highest level of intercollegiate play. Sixth-year coach **Tom Hagedorn** has guided the Toreros to five straight win-

ning seasons and will be gunning for a trip to the NCAA Tournament this season. The 2002 schedule includes a number of the nation's top ranked teams and several prestigious preseason tournaments. Seventeen opponents in 2002 are represented in the Omni

Hotels/ITA Preseason Tennis Rankings, including #2 Stanford, #3 UCLA and #8 Pepperdine. At the end of the season the Toreros will compete in the 2002 West Coast Conference Championships with all eight teams participating over a three-day format (April 19-21) at Saint Mary's College.

The Fall semester tennis schedule is almost as active as the Spring. USD annually hosts the San Diego All-College Tournament. They also participate at the Rolex Southern California Championships at UC Irvine.

In addition to intercollegiate tennis, USD offers advanced recreation tennis classes and year 'round intramural tennis events.

The Toreros practice and play at USD's West Courts, an 8-court facility located in a park-like setting on the west end of the Alcala Park campus. The setting, courts and cool ocean breeze create a perfect tennis environment for both student-athletes and the general public.

## SCHOLARSHIP INFORMATION

The University of San Diego men's tennis program distributes scholarships based on athletic ability. These are given at the discretion of Head Coach Tom Hagedorn.

## STATEMENT OF NON-DISCRIMINATION

The University of San Diego does not discriminate on the basis of sex, race, color, religious belief, age, national origin, ancestry, or handicap in admission to the University, in financial aid programs, in educational programs and policies, and in athletic or other University-administered programs. Inquiries concerning the application of the University's non-discrimination policies may be addressed to USD's Director of Academic Services.

*San Diego is truly "America's Finest City." A modern metropolis (second largest in California) and a popular year-round resort, San Diego spreads from the coast to the desert, including cliffs, mesas, hills, canyons and valleys. San Diego also surrounds one of California's greatest natural harbors which has been a dominant factor in determining the city's history, economy and development.*

*Meteorologists claim San Diego as the country's only area with perfect climate. This ideal year-round environment posts an average daytime temperature of 70 degrees, with an annual rainfall average of less than 10 inches. Most days are sunny, with humidity generally low, even in the summer. The climate, attractive setting and recreational facilities make San Diego "America's Finest City."*

*According to Sports Illustrated, "For sheer numbers of participants, diversity of pursuits of involvement, San Diego must rank as the sports fitness capital of the U.S." Sports are a major feature of the San Diego lifestyle. One can sail, swim, surf, scuba dive, snorkel, wind-surf on 70 miles of public beach or golf at any of the over 80 golf courses throughout the county. Balboa Park, a 1,158-acre recreation and cultural center, offers 25 tennis courts, two gymnasiums, two municipal golf courses, and one of the nation's finest zoos. Mission Bay Park is a 4,600-acre playground for jogging, fishing, bicycling, tennis, golf, jet skiing and kite flying.*

*As well as participating in recreational activities, San Diego supports their professional teams -- the NFL Chargers and the National League Padres play at Qualcomm Stadium. During college football bowl week, San Diego annually hosts the Holiday Bowl in late December. In 1998, San Diego hosted Super Bowl XXXII and the World Series at Qualcomm Stadium. Whatever sporting activity there is, it's here in San Diego -- the sports capital of the U.S.A.*
